Sleeve Storage

Capacity:

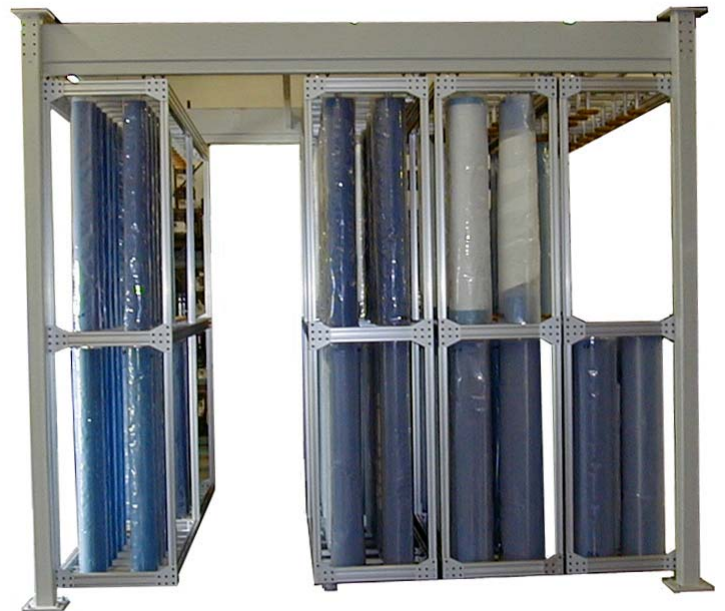

- 192 Printing Sleeves

Dimensions:

- Length: 12'
- Width: 12'
- Height: 10'
- Other dimensions are available

Features:

- Efficient use of storage space
- Accommodates printing sleeves of all dimensions
- Easy checking and identification of sleeves
- Easy access to each sleeve
- Easy pick up and storage of sleeves
- Light aluminum frame for the racks
- Security: The sleeves are perfectly housed inside the racks

Description:

- The sleeve storage is of modular conception, providing flexibility and adaptation to various necessities.
- Well engineered steel frame permits future extensions in plan as well as in elevation
- A guide permits easy horizontal displacement of the sleeve racks
- The frame accommodates four suspended sleeve racks
- The racks are from extruded aluminum (available in steel framing upon request)
